Canopies

Canopies are constructed from aluminum with a smooth black or white powder-coated finish.

Custom canopy colors are available upon request.

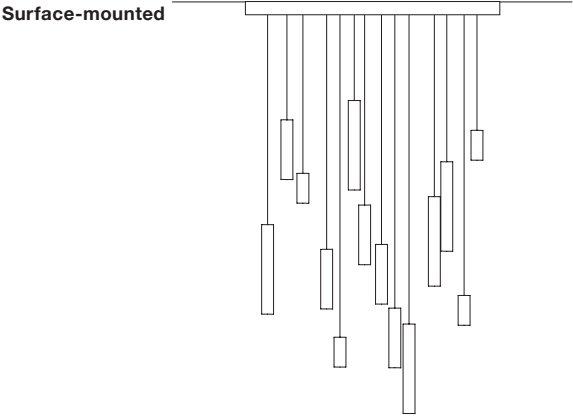

Our Linear cluster have a droplength of 3ft.
(From ceiling to bottom of lowest hanging pendant.)
Custom droplengths available.

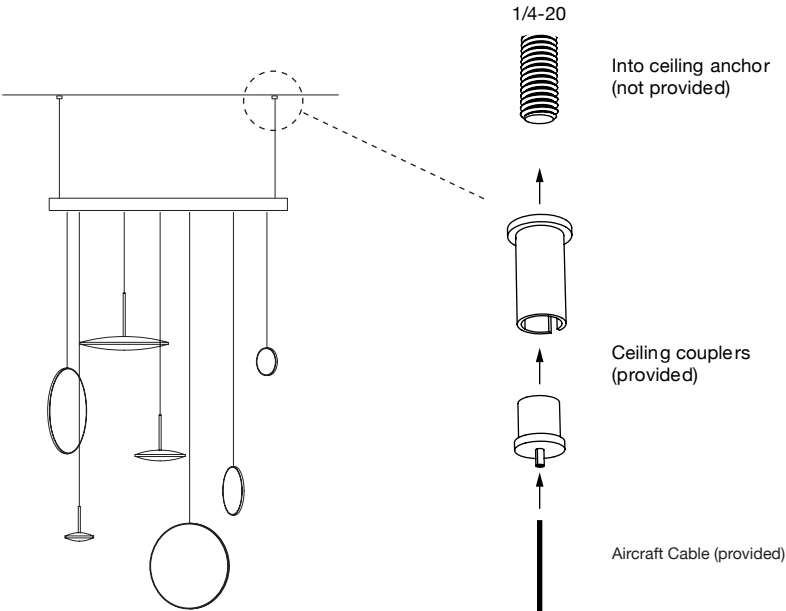

Our Circular canopies come with droplength of 5ft.
(From ceiling to bottom of lowest hanging pendant.)
Custom droplengths available.

The canopies are designed to be installed easily into any ceiling type. They can be directly surface-mounted to the ceiling or suspended by aircraft cable (provided).

Materials

Scraplights

Handcrafted from recycled cardboard.

Warm, intimate, and functional lighting for any occasion or space. Tough and elegant, each is precision cut with a laser or knife and assembled by hand using non-toxic adhesive. All Scraplights are treated with a non-toxic fire retardant.

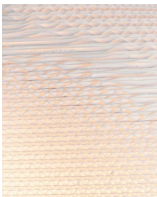

Available in three finishes: Natural, Blonde, and White
